

*The way you do business, is our business.®*

Who we are:  
the leader

*We are the italian leader in the Ship's Spare Parts Logistics'.*

What we do:  
a tough job

*We take care of all factors that ensure your goods to be “at the right place - at the right time” no matter if ships are “cruising”, in “dry-dock” or “stranded”.*

What we are:  
never the same

*An everchanging company that adapt  
its structure in a flexible and dynamic way.*

# Who we do it for: the major players

*Carnival Cruise Line, The Yachts of Seabourn, Disney Cruises, Norwegian Cruise Lines, Holland America Line, Costa Crociere and several major cargo ships worldwide rely on our commitment.*

Who we do it with:  
the winning team.

*Extended, integrated and homogeneous network of agents  
located in strategic ports of call and airports worldwide.*

What we ask to you:  
let's play

*Consider our particular skill to serve an  
ever moving customer in your logistics planning.*

What we promise you:  
the extra step

*One small step can make a large difference: the difference between the standardization of a service and its customization.*

What we share with you:  
a vision

*We understand that the old ways still work but the world is constantly presenting new challenges which we simply couldn't pass by. All that lead us to a fresh new business approach.*

What we promise you:  
solutions for the everyday complexity

*We learned from the ship's part logistics market that we have to be creative and flexible. There's no easy option available.*

# What we can do with you: clearing the path

*No matter how intricate nor how complex the current construct is. We want you to focus on the straight and safe path, to achieve your set goals.*

Thank you.
